Description

Horizon Elegance 90 | 2007 / Extensively Refit

27.43 m | 72 GT | €500,000 Technical Refit | Zero-Speed Stabilizers | Contemporary Interior

This **27.43-metre Horizon Elegance 90** offers an impressive combination of substantial interior volume, extensive outdoor living spaces and a highly customized contemporary interior.

Built by Horizon Yachts and delivered in 2007, she has benefited from an extensive program of upgrades over the course of her ownership, including a major refit in 2017, a **€500,000 technical refit in 2023**, and further refurbishment completed in 2025.

The result is a yacht that combines the proven engineering and generous proportions of the Horizon 90 platform with a significantly updated appearance and specification.

Contemporary Interior

The interior has been extensively redesigned with a distinctive contemporary character.

The spacious main deck lounge features an impressive **illuminated onyx bar**, complemented by **Fendi Casa furnishings** and a dining area incorporating dramatic backlit onyx detailing.

Accommodation is provided for **six guests across three generous cabins**.

The full-beam Master Suite offers excellent volume and includes a walk-in wardrobe and private en-suite bathroom finished with distinctive mosaic detailing. A VIP cabin and additional Double cabin complete the guest accommodation.

Exceptional Outdoor Living

Exterior spaces are particularly generous for a yacht of this size.

The expansive aft deck provides a comfortable setting for outdoor dining and entertaining, while the large flybridge creates an additional open-air living area with a **Jacuzzi, marble bar, extensive seating and generous shaded areas beneath the hardtop**.

An oversized bathing platform provides easy access to the water and creates an additional area for swimming, watersports and relaxing close to the sea.

Premium **Paola Lenti exterior furniture** complements the yacht's updated exterior presentation.

Performance & Comfort

Powered by **twin MTU 16V 2000 M91 diesel engines producing 2,000 HP each**, the yacht offers approximately **4,000 HP combined**, a comfortable cruising speed of approximately 13 knots and a maximum speed of approximately 20 knots.

Importantly, she is equipped with **TRAC zero-speed stabilizers**, significantly improving comfort both underway and while at anchor.

Key Features

- **27.43 m / 90' Horizon Elegance 90**
- 72 GT
