## Description

### UD30 | Sunseeker Predator 95 | 2004 / Refit 2022

UD30 is a striking Sunseeker Predator combining the iconic performance-oriented styling of the Predator range with generous accommodation and extensive outdoor entertaining areas.

Built in 2004 and substantially refitted in 2022 following a full exterior respray in 2021, UD30 has benefited from an extensive program of cosmetic and technical upgrades. The refit included renewed teak and exterior upholstery, upgraded lighting and entertainment systems, refreshed interior finishes, new marble surfaces, leather seating, carpeting, soft furnishings and numerous fixtures throughout the yacht.

Her contemporary interior accommodates up to eight guests across four well-appointed cabins, complemented by separate crew accommodation.

The spacious main deck creates an excellent connection between the saloon and aft cockpit, providing generous areas for dining, entertaining and relaxing. Her open exterior spaces, large sunbathing areas and unmistakable Sunseeker profile make UD30 equally suited to private cruising and entertaining.

Currently located in Dubai, UD30 represents an opportunity to acquire one of Sunseeker's most recognizable Predator designs with a significantly updated interior and exterior presentation.
