Description

2006 Sunseeker Predator 82 | Refit 2022

This **2006 Sunseeker Predator 82** is a beautifully maintained example of one of Sunseeker's most recognizable performance motor yachts. Combining the aggressive styling of the Predator range with generous accommodation and impressive performance, she offers an excellent balance between sports-yacht character and comfortable extended cruising.

Fully refitted in 2022, the yacht has been carefully maintained since and presents in excellent condition both inside and out. With approximately **2,200 engine hours**, she is offered in turnkey condition and ready for immediate use.

The Predator 82 was designed around open-plan living and a strong connection to the water. Her spacious main deck combines comfortable interior living areas with generous exterior spaces for dining, entertaining and sunbathing, making her equally suited to weekend cruising, longer trips or entertaining guests at anchor.

Below deck, the yacht provides substantial accommodation for an 82-foot performance yacht, with well-appointed guest cabins, generous storage and separate crew facilities.

Performance remains central to the Predator 82 experience. Powerful diesel propulsion and Sunseeker's performance-oriented hull provide fast, confident cruising while retaining the comfort expected from a luxury motor yacht of this size.
