Description

Fairline Squadron 78 | 2007 / Refit 2023

22.3 m | Refit 2023 | Twin CAT C32 | 30-Knot Cruising Speed | Dubai

This **2007 Fairline Squadron 78** combines the generous living spaces of a substantial flybridge motor yacht with the performance and handling characteristics that established the Squadron range as one of Fairline's flagship offerings.

Following a **comprehensive refit in 2023**, the yacht presents an attractive opportunity for an owner looking for a well-equipped large flybridge yacht with extensive interior and exterior areas for cruising and entertaining.

Her accommodation is arranged across **three guest cabins for six guests**, complemented by separate crew accommodation for two. The interior offers a spacious main saloon, dining areas and a fully equipped galley, providing a practical layout for both day cruising and extended stays on board.

A defining feature of the Squadron 78 is her **expansive flybridge**. Designed as a genuine second outdoor living area, it provides generous seating, dining and sunbathing spaces together with a wet bar and helm station. Additional exterior areas on the aft deck and foredeck provide multiple spaces for guests to relax throughout the day.

Performance

Powered by **twin Caterpillar C32 diesel engines producing 1,549 HP each**, the yacht combines more than 3,000 HP with proven shaft-drive propulsion.

The engines currently show approximately **2,670 running hours**, with a cruising speed of approximately **30 knots**.

Twin Cummins generators provide independent electrical power for the yacht's onboard systems.

Key Features

- **2007 Fairline Squadron 78**
