Description

2023 Riva 82' Diva for Sale | €1.5M Factory Options

This **2023 Riva 82' Diva for sale** represents an exceptionally highly specified example of Riva's new-generation flybridge yacht, combining unmistakable Italian design with powerful MAN propulsion, advanced stabilization and nearly **€1.5 million in factory-selected accessories**.

Originally configured at **€7,759,004**, including a base price of €6,260,000 and €1,499,004 in accessories, the yacht is now offered at **€5,990,000**.

Measuring **25.29 m (83 ft)** with a generous **6.08 m (19'11") beam**, the Riva 82 Diva introduces a particularly open approach to exterior living. Her signature stern beach club incorporates two large fold-down bulwarks that create lateral terraces, significantly expanding the space at water level. Above, an impressive **40-square-metre flybridge** provides one of the largest upper-deck entertainment areas in this size category.

Performance & Stabilization

This yacht benefits from the upgraded **twin MAN V12 1900 HP engines**, producing an impressive **3,800 HP combined** through conventional shaft drives. With approximately **210 engine hours** she offers a cruising speed of around **27 knots** and a maximum speed of approximately **31 knots**.

Comfort is enhanced by an exceptional stabilization package incorporating **both a Seakeeper gyroscopic stabilizer and stabilizing fins**. An electric stern thruster and additional cockpit helm station further enhance manoeuvrability.

Interior & Accommodation

The sophisticated interior combines contemporary Riva design with an extensive selection of upgraded materials. The main saloon uses a split-level arrangement, with the lounge flowing into an elevated panoramic dining area while maintaining an open connection between the spaces.

Accommodation is provided across **four en-suite guest cabins**, including a full-beam owner's suite amidships with walk-in wardrobe. Separate crew quarters comprise two cabins with three berths and dedicated access, maintaining privacy between guests and crew.

The interior specification includes **100 Gloss Chocolate Wengé timber, Port Laurent marble in the galley and dining area, Statuarietto marble throughout the guest bathrooms, Florence leather saloon furniture**, and electrically operated curtains and blinds.

Exceptional Factory Specification

With approximately **€1.499 million in factory accessories**, this Riva 82 Diva was configured to an exceptionally high specification. Major options include:

- Upgraded **2 × MAN V12 1900 HP engines**
- **Seakeeper gyroscopic stabilizer**
- **Stabilizing fins**
- Twin upgraded **27 kW generators**
- Electric stern thruster
- Additional cockpit helm station
- Upgraded helm and flybridge displays
- Super Tropical air conditioning
- 180 L/h watermaker

- Extensive side and transom underwater lighting
- Premium Internet package
- KVH satellite television
- Premium Sonance exterior sound system
- Electric saloon sliding door
- Bow, flybridge and beach-area awnings with carbon-fibre poles
- **Customized Williams 395 Sportjet tender**
- Tender launch system
- Simrad Open Array radar and AIS
- Port Laurent marble galley and dining surfaces
- **Statuarietto marble guest bathrooms**
- Premium interior and exterior upholstery
- Electric blinds and curtains
- Extensive custom Riva finishes

With an **original configured price of €7.759 million**, approximately **€1.5 million in factory accessories**, upgraded 3,800 HP MAN propulsion and approximately 850 engine hours, this Riva 82 Diva represents a compelling opportunity for buyers searching for a **Riva 82 Diva for sale in Dubai, the UAE or internationally**.
