Description

PRICE REDUCTION OF USD 250,000

VICKY is a strong example of the Sanlorenzo SX88, a highly desirable crossover yacht that remains popular with buyers looking for volume, style, and practical usability below 30 metres.

The SX88 is known for its large aft beach club, open-plan main deck, expansive windows, and flawless indoor-outdoor connection.

Her 4-cabin layout, triple Volvo IPS 1050 propulsion, generous beam, and versatile flybridge deck make her especially attractive for owners who enjoy island-style yachting, relaxed cruising, entertaining, and spending time close to the water.

The SX88 is an excellent choice for buyers looking for a modern Sanlorenzo with explorer-inspired practicality, refined Italian interior styling, and versatile onboard living spaces.

Key Features:

- Capri-inspired blue and white interior colour palette
- 4-cabin layout accommodating up to 8 guests
- Triple Volvo IPS 1050 propulsion
- Expansive aft beach club and watersports area
- Open-plan main deck with large windows and excellent natural light
- Partially enclosed convertible flybridge with bar, grill, ice-maker, drinks refrigerators, retractable TV, sofas, and sun-lounging chairs
- Integrated davit built into the aft beach club structure
- Excellent indoor-outdoor connection, ideal for island-style cruising and entertaining

Interiors

VICKY offers bright, open, and highly usable interior spaces.

Her interior was originally specified with a **Capri-inspired blue and white colour palette**, selected by her original owner. Creating a fresh, relaxed, Mediterranean-style onboard atmosphere that complements the SX88's open-plan layout, large windows, and strong connection between the interior and exterior areas.

The main salon benefits from large windows, allowing excellent natural light throughout the space. The open-plan arrangement creates a relaxed onboard atmosphere, suitable for both family cruising and entertaining guests.

Interior Features Include:
