Description

The ultimate performance yacht, the Lamborghini 63 creates emotions beyond compare: from the first look at the stunning design developed in collaboration between Tecnomar and the legendary car-maker to the exhilarating feeling of power at the 63 knot top speed cruising.

Blade, hull #3 in the limited series of 63 yachts to be delivered by the shipyard, benefits from a full package of options exceeding €1 million in value. The hull colour “bianco siderale”, a pearl white with blue sparkles, mimics that of the original colour of the new Lamborghini Countach.

The 2-cabin layout for 4 guests makes it a great yacht for week-end getaways with family or friends who love style and speed. Maintained meticulously, Blade is a promise of paramount fun and excitement at sea to her future owners.
