Delivered in 2023, motor yacht Ami, Sanlorenzo SX112, embodies modern luxury and cutting-edge technology. Part of the award winning SX range, she features abundant outdoor spaces and vast indoor areas, all further complemented by minimalist décor. With exterior design by Zuccon International and interior design by Lissoni Associati, she is now presented for sale in immaculate condition, offering an exceptional turn-key investment for her next owner, and ready to be enjoyed immediately.

At the heart of the Ami's design is the full beam beach club at the stern, a feat of engineering that includes fold-out platforms, an enclosed gym area, a day head, and a sea-level sauna. This space, recognised at the 2021 World Superyacht Awards, seamlessly merges the allure of the sea with the luxury of the yacht, offering spectacular ocean views while you work out or relax.

Additionally, Ami's main deck aft offers the ideal spot to relax and socialise on the comfortable cushions, perfectly positioned under a hardtop to take in the panoramic views with a refreshing breeze and shade.

The upper deck offers another perfect spot for sunbathing, complete with full-length plush loungers. The spacious foredeck is adorned with inviting sunpads, calling out to guests to unwind while taking in the exhilarating experience of cruising at speed from the bow.

Stepping inside, a bright and contemporary interior greets you as you enter the main salon. The space showcases ultra-modern and minimalist furnishings that blend seamlessly with neutral tones and light woods, promoting a serene environment. A generous use of glass with floor-to-ceiling windows allows for expansive views and plenty of natural light. The salon flows effortlessly to a formal dining area, opposite a fully equipped galley.

Ami's guest accommodation exudes luxury, with four cabins designed to comfortably host up to nine guests, plus crew quarters for five. The lower deck features a spacious master suite, complete with a large walk-in closet and en suite. Two VIP staterooms, with a twin cabin in between, each have their own en suite facilities. At the heart of it all, a stunning staircase links all the decks.

The spacious skylounge offers two big sofas facing each other, with a large table perfect for lunches. Just ahead is the cutting-edge helm and navigation station, plus a full bar complete with a pantry and service area.

Powered by four Volvo IPS diesel engines of 1000 horse power each, Ami cruises at 20 knots, with a max speed of up to 23 knots, whilst still delivering amazingly low noise and vibration levels, far superior to similar yachts.

*Delivered in 2023, Ami
embodies modern luxury
& cutting-edge technology.*

KEY FEATURES

KEY FEATURES

- ✓ **Modern Design & Technology:** Delivered in August 2023 as part of the award-winning Sanlorenzo SX range, Ami combines modern luxury with minimalist décor, exterior design by Zuccon International, and interior design by Lissoni Associati.
- ✓ **Expansive Beach Club/Gym:** The lower deck includes a full beam beach club at the stern, a feat of engineering that includes fold-out platforms, an enclosed gym area, a day head, and a sea-level sauna.
- ✓ **High Power:** Powered by four Volvo IPS diesel engines of 1000 horsepower each, Ami cruises at 18 knots and can reach a max speed of up to 23 knots. Her upgraded IPS Drive System also means she can cruise at high speeds whilst maintaining low noise and vibration levels.
- ✓ **Over 1,000,000 EUR spent on exterior and interior upgrades** including a 75" fold down TV and substantial upgrades to the navigation, AVIT & security systems. An opening hardtop was also included in these upgrades.
- ✓ **Expansive Indoor Areas:** A bright and contemporary interior greets you in the main salon, showcasing ultra-modern, minimalist furnishings, floor-to-ceiling windows for expansive views, and a serene environment.
- ✓ **Luxurious Guest Accommodations:** Four cabins accommodate up to nine guests and five crew members, with a spacious master suite, two VIP staterooms, and a convertible cabin with pullman, all with en-suite facilities that feature upgraded marble. All cabins are equipped with dimmable lights, electric curtains & blackout blinds.

MAJOR UPGRADES

- ✓ Amazing low noise and vibration levels due to IPS Drive System
- ✓ Substantial structural upgrades; including gym and wheelhouse external sliding doors
- ✓ Flybridge sink which can be covered over and hidden, with icemaker & wine cooler beneath
- ✓ Built to Rina Class Pleasure Yacht
- ✓ Interior and exterior lights dimmable
- ✓ Sliding bed in twin cabin, giving option of twin or double
- ✓ Upgraded marble in all bathrooms with specialised hardware
- ✓ Flybridge: hardtop electronic opening blades and side windows
- ✓ Upgraded galley, including hob, double fridge freezer, ceramic hob top and more
- ✓ Electronic curtains throughout and cabin blackout blinds
- ✓ Exterior sun awnings on bow and fly bridge
- ✓ Six underwater lights and backlit stern name
- ✓ Additional day head between master and gym
- ✓ Diamond AVIT upgrade package including 75" main deck drop down TV and flybridge external TV
- ✓ Additional wine cooler added to flybridge
- ✓ Gym equipment: inbuilt kinesis and technogym bike, yoga mats
- ✓ Glass galley surround
