Description

A great opportunity to acquire a stunning 2024 Riva 102' Corsaro, a magnificent motor yacht that embodies luxury and performance.

With an impressive overall length of 30.18 meters, this vessel is crafted from high-quality fibreglass, ensuring durability and elegance on the water. Powered by twin MTU 16V M96L inboard engines, each delivering an astounding 2638 horsepower, it effortlessly reaches cruising speeds of 24 knots and a maximum hull speed of 28 knots, making it perfect for exhilarating adventures.

Accommodating up to 20 guests, the yacht features five beautifully appointed cabins and five heads, providing ample space for relaxation and comfort. The thoughtful design ensures a seamless experience on board, complemented by advanced equipment for enhanced functionality.

The Riva 102' Corsaro is not just a yacht, it's a statement of sophistication and performance, ready to create unforgettable memories on the open sea.
